EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

- 2. Authorization for this examiner's amendment was given in a telephone interview with Mr. Jacob Martinez on 07/30/2007.
- 3. The application has been amended as follows:

As to the Abstract, last 3 lines, delete:

"required.

Fig. 2

gh 25.07.2002"

and replace it with --required.--.

REASONS FOR ALLOWANCE

- 4. Claims 1-9, 11, 12, 14-17 and 32-47 are allowed.
- 5. The following is an examiner's statement of reasons for allowance:
- (a) As to claims 1, 32, 33, 34 and 42, note is made of the limitations, "assigned to one another in an indexed manner" and "operationally releasably fasten the

subassemblies to one another" in combination with the rest of the respective limitations in the claims, respectively.

(b) The closest reference Matsumoto (US patent 6,658,936 B2 henceforth "Matsumoto") discloses a similar invention as set forth in the Office Action mailed on 4/06/2007.

However Matsumoto fails to disclose a spindle unit and an electric motor being combined in a first preassembled subassembly and a holder suspension and a sensor arrangement being combined into a second preassembled subassembly wherein the subassemblies are assigned to one another in an indexed manner and operationally releasably fastened to one another as defined in the claims.

- (c) Therefore, the prior art neither discloses nor provides motivation to combine the above-mentioned limitations in combination with the rest of the limitations in the claims, respectively.
- 6. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
- 7. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Samir M. Shah whose telephone number is (571) 272-2671. The examiner can normally be reached on Monday-Friday 9:30 am to 6:00 pm.
